

## **Opinion on the broadcast by Miriam-Verlag leaflet:**

### ***News from the "Warning" - No to schism!***

I have long hesitated to comment on this broadcast by Miriam-Verlag leaflet. But now I believe that the faithful followers of this mission, "The Book of Truth" have a right to get more information to help you better cope with the content of this leaflet and to strengthen them in their faith in the authenticity of these messages. Therefore, I set up this opinion to all who feel connected this mission, and not to the opponents of the "Book of Truth".

The author of the leaflet remains anonymous, even if the address "group Catholics for the Pope and the Church, PO Box 1941, CH-8401 Winterthur" is to be found in this leaflet. Responsible as containing therefore in my eyes Myriam-Verlag, Brühlweg 1, D-79798 Jestetten, Franz Künzli and Beatrix Zureich, phone (+49) (0) 77 45/92 98 30, email: [info @ miriam- verlag.de](mailto:info@miriam-verlag.de)

Everyone should check himself, puts what spirit behind this leaflet. At the choice of words alone you can see it already. But God alone is the judge.

To me it is about the truth, not about to strike back with the same weapon. It is my intention to make clear how the author of this pamphlet the facts about the business activities of Mary, which can bring about a credit in experience, which picks up and then tried to hand these facts by insinuations, lies and slanders, the mission to destroy "The Book of Truth."

### **First to introduce a testimony that comes from a person I knew well**

"In the summer of 2013 I was able to attend a private meeting with Mary. We, a small group of about 7 people, they learned as a modest, unobtrusive woman know. During this brief meeting, it occurred to me to ask about Mary Jesus a question that made me very busy for some years and was able to answer only Jesus himself. Since Mary had a question for me that I did not want to openly answer in the group, I asked her to let them talk alone short. We are away out of earshot of the group, but remained in the same room. We spoke briefly with each other. Then I asked Mary if I could ask a question about them Jesus. She said yes, immediately went to my surprise to her place, took a picture of Jesus and a small exercise book and came back to me. I thought she was about to write my question to later sometime tell the answer.

After placing my question she started to my surprise short, maybe 10 seconds to pray to the image of Jesus. Then she began to write. I sat beside her and watched her without hesitation and thinking in high speed flawlessly without correction of the text wrote. In between times came a short sigh like, "Oh, so long" Without depose she wrote down a text that was the answer of Jesus to me. Immediately following it - without the stylus depose to sit up, to slow down in the letter, etc. - She wrote down another text which, as we learned later, a message of Jesus to the entire group was present. The group had long since out that Mary wrote. All were silent and watched the action.

After Mary had written the message, she started looking at me to go through the content with me and explain because my English is not absolutely perfect. At one point we could get no further, because a word that Jesus used, I was not aware. Mary tried to explain it to me - in other words - I still do not understand. Then she painted on a paper a bird with outstretched wings and asked me if I as a "bird" possessed. Since I fell like scales from the eyes. Yes - it was the dove of the Holy Spirit, whom Jesus said, describing and I have actually in the shape of a dove with outstretched wings just as on the ceiling of a room. This could not have known Mary! We had never before seen or spoken to. So Jesus himself gave the proof of the authenticity, because only very few people know about it.

This directed me message was sent to two independent, unknown to me people for the exact translation. It turned out that Jesus used the same words and expressions of love, as I do with Jesus in prayer. Even this could not know Mary!

### **Conclusion:**

Mary did not know me and knew nothing of me, not even through a third party. The question from me in Jesus was made spontaneously by me. The speed and without stopping to write continuously without correction, points out that Mary not thought about what to write, but that it was entered her. The fact that the Holy Spirit is mentioned in the form of a dove at the embassy, also suggesting divine inspiration. How could Mary also know the familiar words of Jesus in prayer that I use!

All these notes can be for me only one conclusion: **Not Mary herself is the author of this message addressed to me, but Jesus himself!**

The deep love of Jesus to me, expressed through His tender words to me unworthy soul, nor let me float on cloud nine weeks.

After this event gave me Mary the image of Jesus, through which they had previously prayed. I set up this home. The next day it began to give off a wonderful aroma, not strong, but clearly perceptible. For three days I was gifted with it - then it stopped.

If I had not believed until the meeting with Mary to the authenticity of the messages - which was not the case - **after this experience I am completely convinced!**

I thank God from the heart for these clear signs that He has given me insignificant soul, and thus perhaps many others who read this testimonial or hear about it.

### **Here is my opinion on the leaflet.**

The framed Passages in italics are the lyrics of the leaflet, all the rest are the answers.

*Since 8 November 2010 an anonymously distributed operating Irish businesswoman on the Internet "warning", which is entered directly from the sky. The "end-time prophetess" gave himself the name "Mary of the Divine Mercy". Their messages act included an "alert" of God to all people, also of Pope Francis, "not of God" and "the false prophet"*

*and that to meet the need, care and to build up stocks for since December 2012 Unopened " Time of Trouble ", which will last 3 ½ years.*

Mary has never itself the name given to "Mary of the Divine Mercy". Jesus himself has given it its name. Mary gets namely, foreign embassies purely private nature, which are not published.

**Nowhere is that we should store food for 3 ½ years.** 207 In the message reads: "... The preparations are complete. Prepare your homes with consecrated candles and a supply of water and food before, **enough for a few weeks ....** "

### ***The unmasking of the "end-time prophetess"***

*It took almost 3 years to research around the globe revealed (see <http://midwaystreet.wordpress.com>): After "Mary of the Divine Mercy" (Maria Divine Mercy or MDM) infected the Irish PR manager **Mary Carberry** , which also occurs under her maiden name Mary McGovern. She is 58 years old, married and has four adult children. According to her Internet profile on LinkedIn she likes to read thrillers. Your Company McGovern PR (Dublin, Ireland) has won several awards internationally for the commercial marketing of products and ideas. The woman behind the "warning" is therefore a highly professional advertising genius. The "warning" is her masterpiece.*

One can easily get information on companies and to some extent also on individuals via a credit reporting agency. There, where the author begins beyond this information to speculate, start the slander, innuendo and falsehoods.

We read: **"The" warning "is her masterpiece"**: The author of this pamphlet apparently assumes that Mary had planned from the beginning to invent messages in order to earn a lot of money. See below.

*Official text advertising their company: "Very experienced media publicists create campaigns for entrepreneurs, consumers and public awareness. We start online campaigns that can quickly produce high-quality attention and databases (...) We create unusual online episodes and events (...), the lead among their target groups of interest and debate. "*

*In an interview, Mary Carberry said in 2008: "To a certain degree the view that nice girls can not get rich, true (...) Successful people are comfortable to 80% of their time, nice and quiet, but they can also be ruthless be. A certain ruthlessness is in every woman, the success (...) We are of rich women fascinated matter how they made their fortunes. The richer they are, the more they are our idols. "*

This interview dates from 2008, when Mary was still a normal business woman, far from God, not in this world. To confirm this quote given here is where it comes to purely worldly success, but ultimately the authenticity of the messages that could never invent such a woman with such an attitude. Mary has just transformed by their unwanted and

sudden encounter with the mysticism, through their "Damascus experience" from Saul to Paul.

Whence come these wonderful texts. Does the copyright holder of this leaflet seriously think that many busy business women with four children so completely on the side can produce such deep theological texts and in such variety and large number?

In this context, I refer to the interview with Radio Maria of 11 October 2011 back. Here she describes itself the beginning of her mystical experiences. Here is an excerpt of that interview:

"M: At first I was a lukewarm Catholic, the faith has not really interested me and to be honest I was on my way to lose faith. For years I did not receive any sacraments, including Holy Communion, the whole thing did not interest me, because my life revolved around something else than to go to church or attend the Holy Mass. I was a successful businesswoman.

By the way - I think they have been preparing for the Mass - I was not even aware of what is happening here, but what really happened was that I visited someone in the hospital, and went in to church and prayed, before the statue of the Virgin Mary. That was last year, for a long time I have not prayed. When I started to pray, the Virgin Mary has appeared on the altar. Because, I do not know how to say it, I'm all freaked out.

R: Were you at the time alone in the church?

M: Yes, oh no, there was another person there.

R: Has she seen it?

M: Yes, and it was a great help, because I knew at least that it is not only I have seen.

When I saw the Virgin Mary, I could not even move ... So powerful it was, and I saw she was crying ... I was very concerned ... I ran trembling from the church, did not know what I to do. Then, after a few days I went back to visit this particular person in the hospital, I am repeatedly declined, and every time I went in to the church. And every time - because I was alone - I saw several human figures approaching from the Virgin Mary statue to me, I did not know who they were ... I saw a little girl, she was wearing a scarf, someone who a cap-like something was, a man with a short beard. I did not know who it was, I do not know today ...

R: Could it have been Padre Pio?

M: He could have been ... Since I've seen him ... He could have been there when he was young ... Then I saw a nun, she had a square, hardened veil on her head that was such an extraordinary garment.

Who are the ones I see, I said in me ... it was shocking, really shocking. This went on, and so I'll take that happened briefly, these phenomena were already a long time ... And then finally, the end of November, I went into a cave (rock band), not far from my apartment, I was with some friends because, of which I have heard before that there is a rosary group there, and something has pushed me out that I'm going down there, and when I went down, everything has changed because, as I've seen on the statue is, the

Virgin Mary lived again. And like I've seen Pope John Paul II, then again the nun with the square head covering, of which I already know that it was the Sister Faustina.

R: Yeah, Sister Faustina ...

M: Several people I've seen, but I did not know who they were .. But since they told me that the one of Saint Benedict was ... Or benedeki ...?

R: Holy Benedict? Saint Benedict is a very very powerful saint.

M: The other was St. Augustine ... I've never heard of them, they have nothing to me. I knew that something was happening to me, because at that time, some strange things are happening to me. I started at the crucifixion think, and slowly, gradually it began to stir me as I thought of the crucifixion. In the end I began to wake up one morning at 3 clock, and my tears flowed when I was thinking of the crucified Jesus. I did not know what was wrong with me, and yet I knew that I am in possession of my common sense, because one has kept me busy, I am a living for the career woman. So I have a very serious job ... And I knew I could not go the next day just like that in my office as if nothing had happened, because I had to work and I had to live my life as normal as it only went, but inside I was shaking, but not with fear ... And then at 08 November, I felt impressed that I afternoon at 3:00 clock praying the rosary, I do not know why, something moved me to the fact that I prepare the room, and then I started to pray, and then I got the first message from the Virgin Maria.

R: You have seen the Virgin Mary? She came to you, you have heard it?

M: Yes ... There was no voice, nothing like that, her mouth has moved. I had pen and paper with me, I do not know why I was so prepared, but I felt that something is happening. And that was this opportunity when she told me her first message. I had not the faintest idea what that means. "

### ***From near-bankruptcy to the end-time prophetess***

*On 8 December 2009, about a year before the start of the "Warning", the couple Carberry had the Mortgage Interest Rates of 5,217 euros per month not been paid for ten months for their house, their **debt** was according to the Irish Independent newspaper total 491,000 euros. That's when Mary Carberrys turning to religion, before it was in his own words a "lau practicing Catholic". From 2009 to 2010 she was moving in the environment of dodgy Irish "seer" Joe Coleman, who worked as a spiritual medium, clairvoyant and spiritual healer. She helped him in publishing his "messages", carried on his website and also discovered a gift of prophecy to himself*

Every company owner takes a risk and can also go bankrupt. So getting into debt is not necessarily something extraordinary. However, one must distinguish between mortgage debts that are not really liabilities because the value in the form of land and the house is so available, and the actual liabilities of a nearly insolvent company. Legal ways to get out of debt, be drawn from the writer of this leaflet do not even consider.

As for Joe Coleman: Accurate I do not know. Presumably it was during the year 2009 at a contact between Mary and Coleman, maybe that caused Mary Coleman helped to publish the messages given him. But I know nothing precise and can only guess.

*The Irish bishops had condemned as a charlatan Coleman, after he had announced a sun miracle in October 2009 in the Irish pilgrimage Knock, although not arrived, but led to retinal burns and blindness with pilgrims who stared at Coleman's behest in the sun. On the very first November 2010 defended Mary Carberry Coleman, adding: ". I am the second visionary" Both prophesy of humanity a "great tribulation", combined with conspiracy and threats of an angry God or an angry Mother of God against those who do not believe them.*

Here the author errs again: **This sun miracle has taken place.** Whoever claims otherwise, saying recklessly or deliberately untrue. A total of three sun miracles have taken place in Knock in the presence of Joe Coleman, the first sun miracle that went through the press, took place on 11.10.2009 at 15:17 clock. On the same day, when most people were already on the way home, happened at about 16:20 clock a second sun miracle. The third sun miracle occurred on 31/10/2009. This started exactly at 15:17 local time clock, just like the first sun miracle. I have a friend in Knock, a German who was there at the first two sun miracles on 11/10/2009 and witnessed this miracle. The third sun miracle on 31/10/2009 he has seen from a distance of several kilometers from his garden out, because he lives a few kilometers from Knock. Here are some of the many videos about these events:

Here is an email from a friend from Ireland on 25/10/2009 at the sun miracle. The woman is a German who has lived for decades in Ireland:

"Dear Martin, a short announcement: on Sunday, 10.11.2009 was great excitement in Knock. A gifted person received from the Mother of God a few days before Sunday, the message that YOU would appear by 15 clock in Knock on Sunday. It came about 8-10000 people. Exactly 15 clock started the "sun miracle", apparently quite great: the sun "jumped" in the sky back and forth in front and back, threw out many colors, turned, etc. Many saw different things or had inner experiences. Then a huge crowd was for the confession, there was not enough priests. Sometimes the sun was covered by clouds. Since the whole sky then colored in green or yellow or pink. The sun came out

again, the same sun miracle was still visible. Almost one hour took everything. The website youtube.com had a little video. Maybe you can find it.

The priesthood in Knock shrouded in silence, some speak fully, however, that it comes from the sky. Well, it should have come from Boesen, he has once done a good work to bring many back to confession. Karl was also there and has seen everything. He was deeply impressed. Martin, I thought, all this interests you. It was said that the mother of God will come again. It should also come a message.

All the best and God's blessing. M. "

### Translation

Thousands see a sun miracle in Knock Shrine to see an apparition of the Mother of God.

#### **Thousands gathered yesterday at Knock Shrine, Co Mayo, hopefully.**

There were waves of applause from an estimated more than 5,000 people crowd as some people believed they could see how the sun flimmere, the colors changed and danced in the sky.

Some people were then thrilled.

John Tunney of Islandeady, Castlebar, said: "I am 53 years old and I have never seen before go down as the sun. I saw the sun all different colors, yellow, red and green, accept. Then it was dark down completely and started to flicker. Sometimes the sun sent forth a pure, bright light, then it was dark again. "

The wife of Mr. Tunney, Nina, said: "The sun turned the sky. I experienced a total feeling of happiness. It's a feeling I would like to experience again. It was amazing. I felt great. "

Yvonne Rabbitte from Dunmore, Co Galway, showed other pilgrims a photograph that she had taken on her digital camera, the living rays showed that, incident to the time when the image was captured from the sun down.

Maggie Ahern, from Castlebar was no doubt that the events in Knock took place due to an "intervention of heaven."

Earlier this week, the Dublin-based clairvoyant Joe Coleman predicted Our Lady would appear at the old parish church - at the scene of the apparition of 1879 - and at 15.00 clock. Many of those present were members of the Traveler Community (a kind of gypsies in Ireland).

The spectators waited outside, despite an invitation through speakers by about 2.30 clock by Rev. Msgr Joseph Quinn of Knock that those should go on the property to the adjacent Basilica to attend the ceremonies, featuring the annual Dominican pilgrimage.

12 October 2009

The author writes: "On the very first November 2010 defended Mary Carberry Coleman, adding: ". I am the second Visionary"

How does he know? Was he there? Does he know it from hearsay? The author of this pamphlet represents something in the room without having to prove it. Such a thing would never say Mary. She's no visionary, but a prophetess. There were actually together with Coleman a second visionary, a man named Keith Henderson, but then was killed in a car accident.

Next we read in this pamphlet: "Both prophesy of humanity a" great tribulation "., Combined with conspiracy and threats of an angry God or an angry Mother of God against those who do not believe them," Where in the embassies of Mary is exactly those do not believe in the messages threatened? I am such a passage unknown. Under the "doubters and opponents threatened" below, you will find appropriate excerpts from the messages that say exactly the opposite of what is said here. Where in the embassies talk of an "angry God Mother". This to say alone is a great insult to our Heavenly Mother by the author of this leaflet.

*A few days later, on 8 November 2010, the first message appeared "warning", at the same time heard Carberry on to work for or with Coleman. Since then, about 1,000 messages were posted on the Internet (about 6 per week) under Carberry's pseudonym "Mary Divine Mercy" (MDM). These should come from Jesus, God the Father and Mary. Coleman confirmed in June 2013 and on 6 November 2013 that Mary Carberry, the visionary of the "Warning" was.*

*Your vocation to the ambassador of heaven on 9 November 2010 describes Carberry as supernatural possession of her body through "Jesus." She wrote the 745 words of the message, which was dictated to her, down in exactly 7 minutes. That sounds suspiciously like the "automatic writing", known in occult and esoteric circles. But Carberry aka MDM is, according to their embassies, something very special: She was the last prophet, the seventh angel of Revelation, the last book of the Bible. And: The Second Coming of Christ was imminent.*

Mary must work together with no seer. So Mary has since the first messages it receives from heaven, inevitably terminate the cooperation with Joe Coleman, if there ever was one since. But I know nothing for certain.

How God communicates a seer or prophet, we must leave him. It is certain that there are different ways. The contents of the messages are crucial. It can be easily seen if it is esoteric and occult.

### ***And so the business runs***

But this title is quite an insinuation and slander.

*Mary Carberry spread their messages not only via the Internet, but also in book form by the publisher **Coma Books** in Dublin, its only product is the warning messages (Publisher Address: Block 4, Harcourt Centre, Harcourt Street, Dublin). The same web site you will also find MDM Enterprises, Trumpet Publishing Limited (Coma Books is at 100% of this company) and [TheWarningSecondComing.Com](http://TheWarningSecondComing.Com) (that is the name of the English website warning).*

Never Mary had before, with the embassies to make a deal. But the spread is their responsibility. You must do everything to ensure that these important messages are disseminated effectively worldwide. And so they felt at that time gradually to the optimal solution approach:

On 1 March 2011 Mary published on its website

<http://www.thewarningsecondcoming.com/>

with the messages. On the same day, on 1 March 2011, a round-mail from Joe Coleman forwarded by a friend from London to me, in the Coleman unveils the new website of Mary. When I read the name Joe Coleman, I immediately interested me for this web page, while me before the other mails from London were laboriously translate. So I have already started from day one, the messages to translate, namely for about 5 people, me included. On 15/04/2011 I publish my website without permission from Mary [www.diewarnung.net](http://www.diewarnung.net) which I later when I realize that it is at the embassies to "The Book of Truth", renaming it in [www.dasbuchderwahrheit.de](http://www.dasbuchderwahrheit.de). It is not about Mary's side, as the author of this pamphlet assumed below, but my own!

In mid 2011, Mary studied publishers that help spread the messages. She asks me to help her case in German-speaking countries, our efforts are unsuccessful. Which Catholic publishing house is already publish messages that call the next pope a false prophet?

However, on 25.08.2011 asks Kath Store (belongs to kath.net) surprising by itself for permission to print, and allowed to spread the messages. Mary agrees, until further notice. Kath shop can gradually 7 volumes of 100 pages to message 507 of 29 July 2012 Print, perhaps there are 8 volumes with an additional 100 pages. On 30 April 2012 Kath would shop make a contract with Mary. But to such a contract there is no more.

In parallel, can Mr. RF from Germany first the messages in English print in a book, at its own expense, in the period from 12.09.2011 to 05.03.2012. Mary agrees and grateful.

Only now, April / May 2012 (1 ½ years after the start of the messages at 8.11.), Aged in her the determination to find a more effective way of distribution. You have realized that everything else is a temporary solution. Is not someone who invents these messages in order to make money, more determined, more quickly and effectively before, especially since reduce the debt? Works as someone who wants to make a profit as quickly as possible under the pressure of debt?

**Well to a point that does not yet appear in this leaflet, but is sure to find its place in a new version there.**

I'm already on it, in order to take this now expected attacks in the run the wind out of the sails:

Mr. MH, a ufologist and author who has written in kath.net similar to the book of truth as it is to read in this leaflet, so that you can almost assume that there is a close connection to this hateful pamphlet, distributed on Facebook a copy of a form with the signature of Joseph Gabriel and me.

Yes, we have signed as directors! Mary has, so it stands somewhere in the messages, only a handful of helpers. Whoever this includes, in any case were Joseph Gabriel and I am willing to help. Everything I do is related to the spreading of the messages is to volunteer, without pay. At Joseph Gabriel, it will be the same.

God has apparently chosen for this extremely important mission Mary, as it is the basis of their talents and experience to be able to communicate these messages - and that goes with it all - highly effective to spread worldwide.

Similarly, it was also the apostle Paul, the Apostle of the Gentiles, which was perfect for the job. I am sure that Mary of Jesus has won the contract to have it printed the books themselves and spread.

*Mary Carberrys daughter Sarah, 28 years, was at the foundation of **Trumpet Publishing** on 6 June 2012 the majority shareholder (share capital: 1 million euros). The second shareholder is Mr. **Breffni Cully**, 60 years - retired dentist and businessman, but (on a lecture tour about the "Warning" in the summer and fall of 2013 in the U.S. and Canada) sought to hide behind the pseudonym Joseph Gabriel. That Cully and Gabriel are one and the same person, demonstrate clear photos. Why this hide and seek game if you supposedly says only the truth?*

The full name is officially registered Breffni **Joseph Gabriel** Cully. So is **Joseph Gabriel being his real name** . He has no need to hide.

*On 14 January 2013 withdrew Mary Carberrys daughter Sarah back from the company of her mother Trumpet Publishing. It was replaced by **Henry Martin Roth**, 69 years, from Cologne. Mr. Roth, the followers of various other "seer" was previously the publisher of the German book editions of Mary Carberry and the operator of its German website is now (in English already three books and a prayer book with 125 prayers are sold, many foreign language editions are follow). The books are printed for 2 Euros in Poland and sells for just under 16 euros. In short: "Jesus" speaks, Mary Carberry collected during fights. The fact that she still lives in their house can, in any case indicate that it has found a solution to their financial problem of December 2009.*

Like I said, it is at the German website [www.dasbuchderwahrheit.de](http://www.dasbuchderwahrheit.de) not Marys side, but my own. Later, a link was made to my by Mary's side.

To slander of my person I have in [www.dasbuchderwahrheit.de](http://www.dasbuchderwahrheit.de) already taken the following position:

## **Opinion of 24.12.2013 on the attacks on the mission and on my person**

As you may know, violent attacks on this mission are carried out in the last few weeks, as it has been indeed predicted. This is an excellent sign of the authenticity of these messages. Remained from such attacks, then that would be a reason for me to make my thoughts.

Actually, I had made up my mind to remain silent on the attacks on my person, as well as Mary has decided to remain silent. Perhaps it is for some Anxious but helpful that I give an opinion, at least as regards the slanders against me personally.

The attacks on this apostolate I do not really follow. Only when I was repeatedly made aware, I have but then read two texts to times: In kath.net of a Michael Hesemann which should have dealt with according to Wikipedia earlier ufology.

( [http://de.wikipedia.org/wiki/Michael\\_Hesemann](http://de.wikipedia.org/wiki/Michael_Hesemann) )

But it may well be possible that one ascribes to him, because how can a good Catholic seriously deal with it? The second text I found in a forum that calls itself Christian. The author protects itself by remaining anonymous.

When I read these texts, I have to laugh about those half-truths that are naturally spun out in a certain direction to harm only to this apostolate. Also the sound is not supported by love, rather I feel in these texts and the comments a certain hatred for these messages and this mission - but that is my personal feeling. A load make such attacks in any case not for me, since I know the truth.

Now to my person. You try to collect everything you can learn more about my person, and is probably disappointed to find so little that you can really use. From the little one tries to reconstruct something to hurt this mission. We fear that I had applied for a distribution of the books a book publisher. It has been let go, anyhow investigate the Cologne commercial register, and has struck it rich. So I'm referred to as a publisher. Of course a normal publisher wants to make a profit, which is then also attributed to me.

Yes, on paper, I'm actually a publisher, but if you claim that I make profit, businesses do, then that is a falsehood. I have about 18 years ago registered a business for tax reasons, because I had made a Bible program and some religious teachers were interested. It was not my suggestion, so to make a profit and I also did not make a profit.

Maybe 10 years ago I did some years for a Fraternity (the name of this fraternity I will not name, it has absolutely nothing to do with this my present mission) volunteer made the magazine distribution for the apostolate of this Order. Father R. asked me at that time to publish two books at my expense and to sell them in the context of this apostolate. So I had my "Mini Commercial" that actually is none at all, to expand the industry, "book trade" or "book publisher", so I get no tax problems. I've sold as part of this apostolate, the books in a quantity and at a price that my cost was covered about. Then, since maybe 8 years ago, I had not made any more sales.

The Book of Truth I spread not as a dealer, but for the publishers in Ireland. I must therefore exhibit no bills. I bring these books one and only for the reason that the spread can be done faster and on a larger scale, because many do not have Internet access or do not know enough on the computer. I make this work of volunteers, as my work for such apostolates in the past 27 years has always been a voluntary basis, without personal financial gain. I would not feel comfortable to draw conclusions from such an apostolate financial gain. Also, I am covered by a sufficient bond that I do not have a necessary perquisite.

Even a brief remark to Mary: You try to push them in a criminal area by, for example, ascribes their contact with the Little Pebble of Australia. Little Pebble sits, if my information is correct, up to 2015 for child abuse in prison. But what can Mary for when Little Pebble wants to ranhängen at her, contact her examined. Mary it is generally forbidden by Jesus to operate with any seer or prophet, regardless of whether it is real or not real.

And similar to what happens with the other half-truths, which are further spun at their own discretion, so that they fit to destroy this mission,

I want to discuss these attacks are not. It's not my job to defend these messages, but it's my job to spread. Martin Roth

### **Compare prices of books from publishers Miram and Mary:**

If you compare the price of the last book by Alan Ames "Jesus is Love", 224 pages, in Myriam Publisher: € 13.30 costs, with the price of the **Book of Truth**, Volume 1: 606 pages and Volume 2: 664 pages so is the Myriam-Verlag - measured by the number of pages - more than twice as expensive.

One must not forget that Mary's messages must be spread throughout the world and that they must be financed in the books.

### **Contact with the "seers" and sex offenders "Little Pebble"**

*Mary Carberrys closest Irish employees, the ex-dentist Breffni Cully, the network Google+ are only two people as "friends" on: One is Christine Lammer man. She is the mother of another fake "seer" named "Little Pebble" (ie "Little Pebble") and lived until recently in which 200 people comprehensive commune in Cambewarra, Australia. Lammer's daughter Bettina has six children with "Little Pebble" of 2002 as "the last pope future" described himself who would come after John Paul II.*

*"Little Pebble", 63 years, civil **comb William**, has 16 children by 8 women and is located in 2015 in an Australian prison, convicted of having sexual relations with two minors. In 2002, the Bishop comb competent condemned "heresies". "Little Pebble" advertises on "heavenly behest" since the 18th November 2011 on its website for the warning messages.*

*The messages of comb and Carberry are similar: One should grow their own food because the money is worthless, buy silver and gold, the end is near! If so - why Mary Carberry has let their Internet domain then register until February 2022? According to their "message" to the Tribulation and much more but already "in a few months" and "soon" arrive.*

*Back to Mrs. Lammermann: They also published the "warning messages" on their website, but without indication of the source. Publicly, they even asked once someone related to one of "crusade prayers": "Do you like the prayer that I wrote?", While these prayers are officially "from heaven" dictates!*

A combination of Breffni Joseph Gabriel Cully Christine Lammer man who Mother in Law from the Little Pebble me, is not known! After all the previously refuted allegations, I assume that it is not the case. In any case, no proof here. There are certainly other women who have the same name.

Even if there should be a contact between woman Lammermann and Joseph Gabriel: If it is true that woman Lammermann really spread the messages without a source and called one of the crusade prayers as written by her, then that's proof that it does not work with Mary but these messages for your own interests abused and ultimately works against Mary!

**Too Little Pebble** see my above advice from 12.24.2013 on the attacks on this mission .... , Last paragraph.

### **For registration of the Internet domain:**

The author writes: "Why Mary Carberry has let their Internet domain then register until February 2022?" Here but everything is also used to prove that Mary is a false prophet. It is likely that Mary has not registered their own website, but the one who created the site for them. Also: If you specify about in an Internet form of your provider the exact date when then everything will be arrived? It is obvious, however, that the latest possible date you select when completing the form.

### ***Many false prophecies***

*If the true word of God preached, God authenticated this by signs and wonders (vg d I Acts 14:3). Although tens of thousands of supporters of the "warning" about 100 "crusade prayers" do, is by signs and wonders, nothing to remember.*

*The "warning" is also in parts of plagiarism, because many parts were obviously written elsewhere. Show All subsequent changes that the contents can not come from God, for God does not make mistakes and do not lie (cf. Num 23:19). So wrote MDM, three world leaders would within a few months, blow by blow, murdered ("Jesus" on 17 Feb. 2011). Like When nothing came, MDM changed the wording, now it says "**in a short time**". As Gaddafi on 20 October 2011 was murdered, was "Jesus" know, this is the first, the prophecy is so true. Until today, but the rest did not arrive. On 7 December 2012 verlautbarte Carberry, "**all wars (...) in the Middle East will spread to Europe.**" Also, no trace. On 31 May 2011 claimed that the warning from God to all people, would recognize by which each state of his soul, would meet soon, "**you've got***

*only a few months to prepare your souls." 30 months have passed, nothing happened. For this purpose, a word from the Holy Scripture (Deut. 18:22): "When a prophet speaks in the name of the Lord and His Word (...) does not arrive, then it is a word that the Lord has not spoken. The Prophet has only usurped to speak it. "*

The author of this pamphlet writes, "like When nothing came, MDM changed the wording, now it says **"in a short time"** . "

Mary writes the messages by hand and it needs to tap later in the computer. As well happen transmission error. Here they had a grudge, resulting in a somewhat different sense a comma:

"There will be three world leaders assassinated **Shortly, one by one** . " "It will be victims of assassinations, three leaders of the world **soon, one after the other** . "

As for the prophecies: We know from the Bible, especially of the Apocalypse, that such prophecies always remain in the dark, are often arrived differently than people had imagined, and are sometimes not arrived. Prayers For example, mitigate or prevent the arrival of prophecies. See Nineveh in the Old Testament. Only when they have arrived, we have clarity. Alone determines God, what arrives and when it arrives. So we wait. God alone is the Lord, not the author of this leaflet.

*Also not arrived: "The three and a half years that remain of the period of tribulation begin in December 2012. This is the period when the Antichrist will appear as a military hero " (July 20, 2012, see December 20, 2010 and August 18, 2011). Also on 16 March 2013 announced early war failed to materialize:"The timing of the arrival of the false prophet will coincide with the declaration of wars all over the world. These wars will be triggered immediately ... "*

*On the contrary, the U.S. attack on Syria was the peace appeal of the Pope and his call for prayer and fasting on 7 September 2013 apparently prevented.*

### ***Skeptics and opponents threatened***

*Champagne gorgeous trains carry many "messages", only one example of many that shows that Carberry works with fear and threat:*

***"For those who ignore the messages that bring this humanity: There will be weeping and gnashing of teeth with you. My sacred word that is given to a true prophet if you attacked, then you disturb the will of God (...) (This is you) terrible fear and pain bring (...) Your Jesus " (6 March 2013).***

On 13 February 2013 has occupied the Chair of Peter Francis. Since then, the war set the world continues and has increased significantly, but larger wars are likely, for example, China - United States to the Japanese islands. The schedule for the arrival of the false prophet coincides very well with the escalation of world wars.

We know from the Gospels that the truth can be perceived as threatening sometimes, especially if from hell and purgatory is the question. Here make the messages to Mary

no exception. But **the main thrust of these messages is just not threatening, but the exact opposite** . Nowhere is those who can not believe these messages or want threatened. That is simply a lie to say!

In the messages it says for example:

**Message 864** "... If you do not believe that God sent His last prophet, then that's not bad. However, please do not forget your obligation - by her against my son fulfill your duties in that you hold strictly to His teachings. ... "

**Message 853** "... Now if you can not accept the truth and if you really love me but, then I will give you the graces of distinction. ... "

**Message 807** "... children, you must never insult the prophet of My Son, even if you do not believe them. You have to be silent and pray for them. Should you reject the prophets of My Son, He will not blame you this. But if you said that His Holy Word that is given to the true prophet, it was the devil, and you will suffer terribly. ... "

**Message 771** "... I'm your savior and I would never throw you aside when her doubts in your mind. How could I be angry with you if you love me and you strive only to the truth. ... "

### ***Reassurance to the anxious affluent***

*The "warning" is directed only to the wealthy, as it is said that one should invest stocks, especially gold, silver, food and seeds (8 July 2011 and 23 November 26, 2010). Impossible for billion poor in the world today! But Jesus says in the Gospel just the opposite: "Do not worry about your life, and therefore that her something to eat you" (Mt 6,25). Also: Really should an emergency occur and we would have stocks, but not the neighbors: A true Christian must share - and then the supplies are running low. This alleged "message" is purely human, covered anxious thinking!*

Any reasonable person creates inventories, usually for a few days. With an impending disaster: war, flood, etc any reasonable person will increase his stock. When we give to our neighbors of our supplies, then God will see to it that it's not our loss. Man must do his part and must then trust in God.

Also why should Noah then probably take precautions and build an ark? But only around the time of the Great Flood to survive! Sure he will have had supplies for himself, his family and the animals on the ark in order to bridge this time can. Anything else would be a presumptuous confidence in God!

**Message 898:** "My dearly beloved daughter, I gave you some time ago told everyone that their seed shall propose to feed you and your families, during the persecution. I say this for a particular reason. You have - even if only a few - planting seeds - pure seed, that has not been manipulated by human intervention. I will then the fruit that it produces, multiply, and all will have enough to eat, when the world is going through great hunger. These days are not far away and they will come from a number of reasons. "

Especially for the time of the chip we have to take precautions. If we do not, we can be hard to resist, to accept the chip in order not to starve. (see also Rev. 16.2, 19.20)

### **Warning of the Pope**

For the term of Benedict XVI. said the "warning" to the Pope's authority from: **"The Rome keys are now God, the almighty Father, be returned"** (6 June 2011). On 16 July and 26 May 2012 claimed Carberry, the Pope would **"very soon forced to flee from the Vatican."** Firstly lives emeritus pope since May 2013 for the Vatican, secondly, he stressed to his resignation on several occasions that he had "this is the full freedom to feel Church done after I have long prayed and examined my conscience before God. "Coercion or full freedom? After Carberry Benedict XVI would be a liar! The "warning" is sowing distrust of the entire Church leadership in Rome. So Carberry claimed, for example, the current Pope Francis was **"not of God"** (7 June 2011), he was **"the false prophet"** (12 April 2012), the **"allies of the Antichrist, the Son of Satan"** (February 25, 2013), one soon after taking office **"unit propagate religion"** and you in Rome **"a new pompous temple building"** will. Of course, this is absurd. First, for 2000 years, no Pope has proclaimed false teachings. Second, Jesus built the church on Peter, the rock, and promised: "The gates of hell they (the church) not prevail against it" (Mt 16, 18).

### **Papstweissagung St. Francis**

The following excerpts taken from: Anton Angerer: This is the world before ( <http://de.scribd.com/doc/43535047/Anton-Angerer-das-Steht-Der-Welt-Noch-Bevor> )

Was rediscovered a forgotten text of St. Francis of Assisi in 1880, printed in Paris complete edition of the Holy and his life. In column 430 of this Latin edition is an unknown vision of the saint, which he told the friars shortly before his death. (...) "After he had just summoned the brothers before his death, he warned them against future afflictions, saying: 'If brave, brethren, be strong in the Lord and hopes. Great times of trials and tribulation are imminent (literally rush to be imminent), where confusions and dangers of secular and spiritual nature will abound, the love of many wax cold, and the wickedness of the wicked will exceed all bounds. The power of the demons will be released more than usual, the immaculate purity of our and the rest of the Order will be so disfigured that very few among the Christians of the **true** will obey the pope and the Roman church with a sincere heart and perfect love: **Someone will not have been canonically elected, (but) levied at the height of that tribulation to the papacy, will seek to subtly** (literally, with acumen) **many the deadly poison** (literally death) **infuse his error** .

Then the annoyances will multiply, our Order will be split, many of the other (religious) are completely broken, because they do not contradict the error, but will agree. There is so many opinions and divisions among the people, give among the religious and the clergy that if those days shall be shortened not according to the word of the gospel,

even the elect (if it were possible) would be led astray if they do not in such a violent storm of the immeasurable mercy of God might be made. Our rule and way of life will then be fought by some of the sharpest. There will befall untold temptations. The then come to fruition, the crown of life are received. But woe to those who are alone on the religious life are their hope putting lukewarm, and the temptations are not persistent, be admitted to the examination of the elect. , **but those who stick with fervent in spirit of love and zeal for the truth of piety, are as . suffer disobedient and schismatics persecution and injustice** because their followers are driven by evil spirits, maintain that it is a feat of obedience (literally, a great obedience) to God, to kill such a pernicious people, and to destroy from the earth. There the Lord will be a refuge but then for the oppressed, and He will save those who have hoped in Him. And to her home to be uniform, they will act confident and, by the death of eternal life earning, choose to **obey God rather than men**, and they will, **because they do not wish to accept the lies and treachery** , death fear in any way. **The truth is then of some preachers hushed** (literally: with silence covered), **trampled by others and be denied** . The sanctity of life change will be drawn from those who are (externally) to confess to her, to ridicule, **which is why the Lord Jesus Christ will send them not worthy shepherd, but a destroyer . "**

### **Prophecies of Blessed Anna Katharina Emmerich mystic (1774-1824) and the devastation of the Church**

#### **Emmerich, the liturgical reform and two popes**

One of the visions of the Augustinian includes some apocalyptic prophecies about the future of the Church. What they predicted, in some sounds like an anticipation of the post-conciliar liturgical reform: "The show was short" and the Last Gospel from the Gospel of John was not read at the end.

On 13 May 1820 she saw a vision of two popes and two churches: "I have this night" "had two churches and two popes" the image. She saw the Pope "and saw beneath him another dark church in Rome was built." She saw a building without altar, and without most holy: "I just saw benches and in the middle like a speaker chair. It was as preached and sung, otherwise there was nothing "On the People in this which is" wrong "church without the sacrament of the altar, Emmerich speaks often of" gather after church, "she looked.

"Everyone pulled another idol from his chest, and set it before him, and worshiped him. It was as delay each his opinion, his passion forth like a black cloud, and as it was out, it immediately took a definite shape from, and they were all figures, as I hang them on the Halsgeschmeide the false bride in the wedding home saw all kinds of human and animal figures. The God of the One was very frizzy and wide, spread many arms and wanted to embrace everything and eat up: and the God of the Gentiles made himself

very small and doubled over, someone else had just a wooden stick, he looked quite twisted, the third party had a hideous beast, the Fourth a rod. "

The special is that "these idols the whole room filled up [...] and when they were finished, the God of everyone crawled back into him. The whole house was dark and black and everything that happened in it, there was darkness and darkness. Now the comparison I was shown between that and this Pope and between that temple and that. "

### **A "dark church" spreads in the church: from tepid priests and a secret sect**

Emmerich looked like numerically weak was the right pope and as numerically strong, however, the false Pope. The right pope was "strong but at will" and determined the large number of idols to topple. The other Pope, however, was "weak of will, in which he was the only true God and the only true devotion by permission of the false temple in so many gods and false devotions can be resolved." Under the false Pope were "a thousand idols" worshiped, but the Lord allowed no space. Emmerich saw how dispersed the true church and the false gathered and was numerically the advantage.

"I also saw how bad the consequences of this would be after church. I looked up, I saw many heretics of all classes to the city [Rome] pull. I saw the lukewarmness of the local clergy to grow, I looked much darkness there more and more spread. [...] I looked in all the places the Catholic communities pressed, harassed, pushed together and enclosed. I saw many churches of all places to lock. [...] I had the picture again, as was St. Peter's scheduled removed by the secret sect and also canceled by storms. "

### **Certainty of divine assistance for the true church**

But Emmerich sees the divine assistance for the true Church:

"But I also saw in the highest misery again close to the rescue. I saw the Blessed Virgin climb back to the church and spread the mantle. [I saw everything to be new and a church hineinbauen up in the sky. [...] The time period, as everything should be done this, I can not say. "

The geschaute of Emmerich false church betrayed the Church's doctrine and its clergy was "free". The mystic is stigmatized elsewhere even from a "Protestant ized" talk church. But all this did not prevent it, that this false church experienced great growth. "There was a body to have a community out of the body of Jesus, the church, a clinic loose after church, the secret is no secret."

On 10 August 1820 she looked the vision:

**"I see the Holy Father in great distress. He lives in another palace, leaving only a few confidants on. Would the bad party know their great strength, they would have broken loose. I am afraid that the Holy Father will have to suffer great tribulations before his end. The black church after I see growing and in malodor influence on the mind. The plight of the Holy Father and the Church is really so great that one must pray to God day and night. There is much to pray charged me for the Church and the Pope ... "**

## **Destruction of the church by Protestantization - "But God has other plans"**

On 22 April 1823 saw Emmerich a Protestantization the Catholic Church. Everything was Protestant've gradually in the Catholic Church gained the upper hand and triggered a complete Dekadenzprozeß in this. The majority of priests had been attracted by the seductive but false doctrines and contributed to the work of destruction at. In the days in which it will happen, so Emmerich, the faith will fall deeply and are preserved only in a few places, in just a few houses and a few families that God preserved from the ravages.

Emmerich saw that many priests get swallowed by ideas that are dangerous for the Church and **the construction of a new large, strange and extravagant Church** . Emmerich seems to have seen some ideas and practices, which began to spread in the post-conciliar period and still persist today, so on 22 . April 1822**Everyone should be allowed in the new church, so that all are united and all should have the same rights: Protestants, Catholics and cults of all denominations. That should be the "new church."** but God's plans are not that been.

"But God had other plans," Mattia Rossi quoted in the daily newspaper *Il Foglio* Blessed Anne Catherine Emmerich: "plans, which we of course do not know all: no one is able to say whether, how and when the prophecies of the Blessed Emmerich are currently or even true. With safety in any case the agreement is striking with many, more or less dark aspects of the Church today. " Mattia Rossi is on the editorial board of the journal *Liturgy Liturgy. Culmen et fons* .

### **To Benedict:**

At no time Pope Benedict has been agreed by the authority of the book of truth - on the contrary - it is always "His beloved Pope Benedict, the deputy chairman" of the question.

**Message 739** . "... Masonic sects infiltrate the church in Rome. Do not be fooled: **There can be only one Pope in his lifetime** . ... "

**Message 855** "... **There can be only one head of the church on earth, a Pope, authorized by my son, who must remain pope until his death.** Anyone else who raises it claim to sit on the Chair of Peter is, a cheater. This deception has a specific goal, namely souls over to the Lucifer, and there is little time for such souls who noticed nothing of this deception to be saved. ... "

### **For "the keys of Rome"**

Who arrogates to itself to judge whether God actually the key Petri has taken out of the hands of Benedict to Himself?

Pope Benedict has his resignation speech very carefully (as you would expect from him) formulated! He has "full freedom" (his conscience) and in accordance with God's will acted for the good of the Church, knowing that he faced increasing attacks (and strokes?) Against his person and the true doctrine of Christ, for he is a guarantor, barely had a chance! "the smoke of Satan has entered the Church," said Pope Paul VI., on 29 June 1972.

Yes - only in this way can the Church Pope Benedict (us) still serve and God! Through his "voluntary" resignation he avoided serious conflicts that would otherwise have been laid open to the detriment of the Church.

The fact that Pope Benedict is currently living in the Vatican, is no proof of its voluntariness. The prediction that he will have to flee is to be seen. Who can prescribe God, which He has fixed time scale with "very soon"! This also applies to other statements in the messages!

### **To schism ...**

No, not the messages in which we are called repeatedly unconditionally stick to the true faith, lead to schism, but the feared **changes in the truths of faith**, which - valid for 2000 years - demanded by Pope Francis and the top clergy in order adapt to the needs of today's world!

Only when these changes occur, we have to decide! First signs are already there ...

*Who is confronted with the "Warning" has to decide: Either he follows Mary Carberry or the Church with the Pope. The wrong "end-time prophetess" promises "salvation" at the cost of separation from the Catholic Church. Your "message" leads to **schism** - and exactly predicts Carberry too!*

The messages to Mary say just the opposite: we are to separate ourselves at any price from the true teachings of Jesus Christ and always valid, but may be used by any priest, bishop and not by any pope a **false doctrine** to accept.

**We need only decide if Francis, the present occupant of the chair of Peter, the truth, unchangeable teaching of the Catholic Church will change.** initial approaches are already there, in his morning sermons that show his true colors.

Under

<http://www.katholisches.info/2014/01/20/papst-perlen-oder-bergogliate-was-bleibt-von-papst-franziskus-haengen/>

one finds the following text:

"... Well occurs Pope Francis on two forms, which clear view difficult. There is the Pope's official speeches, recites texts that have been previously discussed with the CDF. And then there is the Pope who speaks freely, in whole or in part, non-observance or supplement writing elaborated texts.

There can hardly be a doubt that the acquittal Francis is the authentic interpretation of the papal thinking. Exactly there but occurs theological precision behind dialectical gimmick and confusion. Improvisation? Or is it the Pope about testing reactions?

#### **Four examples with many question marks:**

##### **The sin**

A small flashback to four points that were fished quite arbitrarily from an already large pot. Four statements and four times the question of what the Pope so really want to say.

1) (*Francis said :*) "Life is complex, it consists of grace and sin. Who does not sin, is not a man. We all err and must recognize our weakness. "

(*Explanation in kath.info :*) What does Pope Francis say? That every man and that right now is necessarily a sinner? Or that you have to sin in order to be human?When? Now, forever? A word game that goes round in circles, because by wrong and admits that it is a mistake, you end up being right.

##### **Mary**

2) (*Francis said :*) "The Gospel tells us nothing: if she [Mary] said a word or not ... She was quiet, but in her heart - she said how much the gentleman! , You told me then said - that's what we have read - that he will be great. You told me that you will give him the throne of his father David, that he will reign over the house of Jacob forever. And now I see him there! ' The Blessed Mother was human! And perhaps she would have had the pleasure to say, lies! I have been cheated! '. John Paul II said this when he spoke of the Mother of God at that moment. " (*Note: John Paul II has this words not spoken so Francis has cited him wrong.!*)

(*Explanation in kath.info :*) Pope Francis thinks they have to transform the Mother of God in a haggling, pitying themselves, ordinary woman. But for what reason?"Distant" Maybe from the erroneous opinion out, they thereby "human" and to make "closer" in comparison to the "unattainable" perfect icon, which provides us with the tradition? The "Tota Pulchra ", the' Sine Macula", the "Turris Eburnea" as the Blessed Virgin was reverently and lovingly called with the utmost respect, but intimate affection over time. Does the woman of today, to kill with driving license and right from your own child in the womb to the armed service in the war, a different picture of Mary, stripped, downgraded to "eye level"?

##### **The cunning**

3) (*Francis said :*) "The Magi, the three wise men from the east" used cunning "[Pope Francis], when they decided not to return to King Herod? Or were they not rather warned in his sleep before not to do it, as the Scriptures teach us? Cunning belong to any category of virtues. Are not there already enough cleverness Meier on earth? Or does the Pope confirm the truism that the good guys (the Christians) are always the

stupid and that it would therefore be at the time, 50 years after the Council, that they also may finally use the cunning? The young people will be excited, there are enough "teacher" of all kinds, which they give to the march luggage for life, to be attentive to one's own advantage and therefore to move smartly through life. " (*Note: This confusion comes from the Pope and has been reproduced here verbatim!*)

(*Explanation in kath.info :*) Since it's almost better not to remember that in the Gospel untiringly an angel appeared, Joseph had appeared in his sleep already, so that the Holy Family was able to pass all the difficulties. Can you equate the message of an angel with cunning, even confused? Or is there an apocryphal bergoglianisches Gospel, in which even finds a place in the pantheon the goddess of cunning? Probably only one of altars and tabernacles again bared ancient temples of the gods, after all, these are only outward illusion, which is to give the benefit of the poor, so that they are "rich".

### **Dangerous side effects of the message of salvation**

4) (*Francis said :*) "The gay couples today present new challenges to the education level ... I remember the case of a very sad girl, the teacher finally confided the reason for her state of mind, 'my mother's fiancée likes not me '... How is Christ to proclaim these youths? This generation who changed? One must be very careful not to give them a vaccine against faith. "

(*Explanation in kath.info :*) Once again: What does the Pope say? Specifically, one should evangelize these young people, but without criticizing the decisions of the parent who otherwise would in a counter-reaction from a "vaccine against the faith" are. The message of Christ not as a message of salvation that frees, but dangerous, but has undesirable side effects? (\*) The people of Sodom and Gomorrah should perhaps begin to establish an accounting of the damage to possessions and life and limb, they have suffered from the fatal overdose of this vaccine. "

(\*) *So the sentence taken from the original!*

From a text by

Dr. Kelly Bowring, best-selling author:

**Regarding the "Mary of the Divine Mercy," Pope Francis and the false prophet**

<http://www.dasbuchderwahrheit.de/Aktuelles/bowring.htm>

Here you can read:

### **"Important question and clarification**

**The most common question that is currently being provided through MDM is whether a validly elected Pope could even be the false prophet, proclaim how their messages. The answer is: YES.**

However - although it would be possible - it would be very unlikely.

**So, how could it happen that a validly elected Pope the False Prophet (Pope, an invalid or an anti-pope) could be?**

The Papal Bull of Pope Paul IV *Cum ex Apostolatus Officio* teaches that if someone was a heretic before the Papal election, he could not be a valid pope, even though he (valid) was unanimously elected by the cardinals.

Similarly, Canon 188.4 states (1917 Code of Canon Law), that if a cleric (pope, bishop, etc.) a heretic (= false teachers), he will lose his office by operation of law without any official explanation.

**The Holy Robert Bellarmine, St. Anthony, St. Francis de Sales, the Holy Alphonsus Liguori and many other theologians, all taught that a heretic can not be a valid pope.**

**"But if God would allow a Pope  
a notorious and obstinate heretic (= false teachers) will  
then this would stop by such a fact to be Pope,  
and the apostolic chair would be vacant. "**

Saint Alphonsus Liguori, Doctor of the Church

Here are some more quotes about this possibility:

<http://www.protestanerrors.com/pope-heresy.htm>

However, calls the church law that believers must assume that we have a valid pope, unless the supreme authority of the Church officially declares otherwise.

Thus, one can consider the possibility that an "anti-pope" might come from a valid conclave potentially, and **this is not a false or "heretical" views known .**

Consequently, it is actually possible to the Magisterium to remain faithful AND to consider that the messages of MDM plausible authentic would be that the pope is the false prophet had ... and even that the Church says himself that this at least is **possible .** " ( *End of quote* )

### ***Catholic bishops warn of the "Warning"***

*Many bishops condemned the "Alarm messages" publicly as heretical (heresies spreading) and schismatic (church divisive), such as some pastors from the U.S. and Australia, the Slovak Bishops' Conference and Auxiliary Bishop Laun (Salzburg). But that's Mrs. Carberry matter anyway, because **"it is not important whether the Church declares this message for real"** ("Jesus" on July 9, 2011). Anyone who thinks the "Warning" and renounces the Pope excommunicated in accordance with the canon law itself (Canon 1364, § 1). Although sounds like much of what the "end-time prophetess" in the name of heaven spreads, very religious (for example, the prayers) - but even a single false statement that supposedly comes from the mouth of Jesus or Mary proves that the source is corrupt and that a fraudulent or sick person or the devil is behind it.*

**As for the bishops, this provide examples my open letter to Bishop Laun**

**The following Auxiliary Bishop Andreas Laun of we find  
in "CHURCH today 7/2012", ie in the month of July 2012**

Days ago I received a call from a man with the question of what to make of the "Warning". I replied: "I can not say anything. I do not know what you're talking!" At his insistence, I watched then the first pages of the "Warning" on the Internet.

As to the content, is my verdict: "warning before the warning!" And this for the following reasons: The woman who claims to get these "messages" is unknown and not yet certified by the sky, as eg. Fatima by the sun miracle was the case, and in other private revelations by various characters.

And many things in the "warning" is not the teaching of the Church - such as the mention of "the Christian churches." According to Catholic teaching, only the Catholic and the Orthodox community a "church" all other "churches" are only "Christian communities". - That "God the Father" with the "hierarchies of heaven" will fight the battle of Armageddon, tastes like "Lord of the Rings" and not by a private revelation, which will recognize the church! Abstruse is the message of Jesus that he is now more, even twice as heavy as suffer in the course of one passion - the same Jesus of whom the Church teaches that he is "at the right hand of the Father" sitting.

Ridiculous is the message that the "preparations" for the Second Coming of Jesus were "in full swing" - as if it would be a campaign or a great journey that Jesus only "prepare" should! In addition, there are a number of "no-na" messages, so banal self-evident, such as: Who is faithful, goes to heaven! Or is that we have free will, that God loves us even in difficult times, that the Church never "perish" is different and this kind Loud "messages" that have long know a Catholic!

The author of this "messages" it goes, again and again to accommodate their utterances allusions to biblical texts, and makes use of especially the Book of Revelation, which is particularly well suited to obscure content and give them yet a little too the authority of Scripture give.

Of course, serves "the warning" and the fear-mongering! The fact that we have reason to be worried regarding all of what the future may bring, we know from revelation. But largely, it is even sufficient to read the daily newspapers - and so on.

The truth in these "warnings" we know already, the other we can safely ignore. So warning before the warning! You might confuse some, they distract from what God really wants from them, others just "steal" time, then missing them somewhere! Moreover, if God wants to tell us something important date, he has ways and means to do it so that we learn it without rate and hiding games with sent down "tracks". And finally: If I wanted to, I could invent such "revelations" every day!

**Open letter to Bishop Laun:**

Dear Mr. Bishop!

I appreciate your very person, especially because of your struggle for unborn life. Could it be though that you make hasty here an opinion on an important thing, which you have dealt only superficially? Have you ever been there perhaps influenced by other skeptics? Do you really believe myself that this is considered your letter of attentive, thoughtful readers as well thought out?

At some points I want to respond as follows:

1 The woman who claims to get these "messages" is unknown and not yet certified by the sky, as for example in Fatima was the case with the sun miracle and other private revelations by various characters.

*The prophet wants to stay for two reasons still hidden:*

1 She has good reason to fear their children's lives, because in the embassies are also the machinations of sinister groups to the language which seek to one-world government.

2 Jesus demands that she still holds back.

*By the way, two people from Germany have taken on 23 July 2012 with Mary. They met a woman from whom you would not expect in the least, to receive such messages. She is a businesswoman from life and mother of four children. You are the head then becomes impossible to invent such messages. She knows in religious matters still barely. They never could invent such messages themselves. Neither of their knowledge even in this amount and depth ago Mary understands these messages no better than probably most of us. Therefore they shall cast no own explanations of the messages.*

*God has totally unprepared chosen and put her life upside Mary. Actually, they would much rather - as she says probably not really meant seriously - her former life back. She sees herself as a mere tool which these messages that do not originate from their passes.*

2 Some in the "warning" is not the teaching of the Church - such as the mention of "the Christian churches." According to Catholic teaching, only the Catholic and the Orthodox community a "church" all other "churches" are only "Christian communities".

*What exactly is not the teaching of the Catholic Church? As for the "Christian churches", so you certainly do not have read the following messages:*

**356 God the Father: accept call to the Catholic Church, the New Age of peace on earth . 23 February 2012**

"... What motivates your brothers within my Roman Catholic Church who deny the truth? You have confused my children. Due to their loyalty to **the one true Church, the Roman Catholic Church**, her denied them the chance to have their souls on in the New Paradise prepare the regency of My Son on earth.

Your duty is to inform my children about the truth. ... "

### **358 Never rejects the prophets of the Lord . 24 February 2012,**

**"... The Catholic Church is the only true (= only true) Church.** All churches will unite to become a single Holy and Apostolic Church in my Second Coming .... "

#### **In the message 492 it says:**

"... Many wondered how the Son of man could be such an ordinary, simple man They rejected Him from;. Because they thought that the Messiah would be majestic and proud, and in the highest echelons of religion (*literally church = Church*) commanding the attention would demand it. My son could those who religion at this time (*literally church = Church*) initiated , not get to listen to Him. Their pride stopped her to hear the truth .... "

Here, the term "church" is also applied to the Jewish religion, even though the actual church, the Catholic Church, there was not yet established. Accordingly, the term "church" more broadly. "Church" from the word in origin but actually means "House of God" when I'm really informed.

And let's not forget, that apply these messages to all people, so also to the other Christian communities that call themselves Church.

We Hold: In the messages of the "Warning" is clearly stated **that the Catholic Church is the only true church .**

3 That "God the Father" with the "hierarchies of heaven" will fight the battle of Armageddon, tastes like "Lord of the Rings" and not by a private revelation, which will recognize the church!

*In Revelation 16, 16 "Armageddon" (= Armageddon) this name is now mentioned times.*

4 Abstruse is the message of Jesus that he is now more, even twice as heavy as suffering during his Passion - the same Jesus of whom the Church teaches that he is "at the right hand of the Father" sitting.

*Jesus suffered 2000 years ago for the sins of mankind. Everyone can observe what degree of sin has now adopted today. Let's look only in our churches that are largely empty. Many churches are being closed because they are no longer needed. If it any wonder then that Jesus suffers today twice, if not physically. Think. Sometimes to the many weeping statues of the Mother of God in our time Press this not also a great deal of suffering Mother of God in our time?*

5 Ridiculous is the message that the "preparations" for the Second Coming of Jesus were "in full swing" - as if it would be a campaign or a great journey that Jesus only "prepare" should!

*What exactly is it ridiculous? Find no better arguments for the condemnation of the "warning"?*

6 In addition, there are a number of "no-na" messages, so banal self-evident, such as: Who is faithful, goes to heaven! Or is that we have free will, that God loves us even in difficult times, that the Church never "perish" is different and this kind Loud "messages" that have long know a Catholic!

*So these statements are at least not wrong. But if you only briefly deals with these messages, you do not get with Essence: These messages are addressed to all people, especially to the non-believers. For most people it will probably not act to "banal self-evident truths", not even for the majority of so-called Catholics who do not even know the teaching of the Church for the most part.*

7 The author of this "messages" it goes, again and again to accommodate their utterances allusions to biblical texts, and makes use of especially the Book of Revelation, which is particularly well suited to obscure content and give them yet a little too the authority of Scripture give.

*Mary knows not from the Bible. How should it work out there alongside their work and their duties as a wife and mother of such references to Scripture?*

8 Of course, serves "the warning" and the fear-mongering! The fact that we have reason to be worried regarding all of what the future may bring, we know from revelation. But largely, it is even sufficient to read the daily newspapers - and so on.

*This argument also applies to all honest and courageous priests who still speak, for example, about the existence of hell. Who conceal unpleasant truths and keeps people ignorant and they can run to ruin, will be guilty. This is especially true for priests and bishops.*

9 The truth in these "warnings" we know anyway, ...

*Dear Mr. Bishop, you - and certainly many are still really believers - the truth in the will know "warnings", but probably more than 90% of people do not know this "true" because the Catholic Church is no longer a mission church, the truth so hardly conveys.*

Other ... that we can safely ignore. So warning before the warning!

*Actually it would have been helpful if you had done precisely what they exactly mean by the "others" we "safely ignore" can. Because that would be the heresies, which are not in the messages of the "Warning" apparently.*

You might confuse some, they distract from what God really wants from them, others just "steal" time, then missing them somewhere!

*It is always better to deal with matters of faith than with things that do not help one on the path to God. When dealing with these messages, the prayer automatically comes to the fore.*

Moreover, if God wants to tell us something important date, he has ways and means to do it so that we learn it without rate and hiding games with sent down "tracks".

*Let's say, the Book of Revelation would not exist previously and a prophet of our time would now receive these texts only as messages. Would you then not these texts to a multiple tear more than the "warning" because you do not understand many things in the Book of Revelation - as we all? Apparent arguments for conviction of Revelation there would be in abundance. But we still believe in it because it belongs to the Scriptures.*

10 And finally: If I wanted to, I could invent such "revelations" every day!

*Dear Mr. Bishop Laun, do not forget that you have studied due to your profession decades with theology. I want to believe you that they are talented enough to produce a similar texts, but - hand on heart - you can do the same in addition to all their other obligations in this short period of time and at this depth and quantity, in spite of your good training as a theologian?*

*HH Mr. Bishop, with all due respect for your office and your person - I think you're still a good auxiliary bishop - you have the text of the warning read at least about 25%, so that you can judge?*

*God bless you.*

*Martin Roth*

PS

It should be mentioned at the end of two messages:

**Message 454 Satan is planning to poison the mind of some of my chosen souls in terms of this mission, 5 June 2012 :**

*"... You have to pray, because it will happen soon. Expect these events in daily prayer and do not be discouraged by this series of attacks. **My followers must in this regard remain vigilant, for if it within the next month (ie July 2012) begins , then shall ye also be tempted to doubt My Holy Word. This prophecy will unfold before you, and it will be the far meanest and most painful attack on this mission.** Attacks are derived not only from those that promote the messages of those from whom they*

believe they are authentic visionaries and prophets of today but they will be also supported by some my consecrated servant. ... "

**Message 472 If you hate spread through the prophets who are sent from heaven, you are a sin guilty of the enormous consequences. 24 June 2012**

"... **message for the Clergy:** For those of you who - as consecrated servant of My Church on earth - have made a vow, I listen to now. If you condemn my messages publicly and Me, your Jesus, in this mission to save souls, stands in the way, then you commit the biggest sin of all. You will suffer for it, and your purgatory (of you already) be experienced on earth. Every man, woman and child will be a witness to your crimes against the sky. Your erroneous assessment of my prophet shall leave you spiritually empty, and your soul will suffer a torment that no one is like another. If you are a consecrated servant from Me and if you're not sure my voice while I am speaking with you, then you must remain silent. You must pray for the discernment before you considering to refuse My Holy Word. Thousands of my consecrated servants will fail to recognize My word that is sent through this prophet for the last days. How much do I break this heart. ... "

To the sentence: But that's wife Carberry matter anyway, because **"it is not important whether the church this message declared real"** ("Jesus" on July 9, 2011).

The author breaks the sentence quoted out of context, so that the meaning is distorted. Jesus says in the message:

"... It is not important whether the Church recognizes these messages, because the time is not on their side. You, My sacred servants, many will need many years to accept my messages. So go on. ... "

By the way, my opinion is a **prophet alone placed under God and is His mouthpiece.**

The author concludes this leaflet as follows:

***Conclusion:** It's too much about money, dubious scaremongering, contacts with other dodgy "seers", many false predictions of "Jesus and Mary". The "warning" is church divisive because it undermines and destroys all confidence in the Pope, the Vicar of Christ on earth.*

**My conclusion is:**

**Alone is the choice of words, that this sheet is not marked by love and genuine effort of finding the truth .** This leaflet is full of not assignable insinuations, slanders, distortions of truths and misstatements that can be clearly demonstrated that. The aim of this letter is from the outset set out to destroy the mission of Mary and to present her as a liar. And one more thing, I regret to say, I feel downright hatred of this mission, the answer hits me in this leaflet. Although the anonymous author of this pamphlet (possibly

a priest from Switzerland) can hide his identity, it still does not succeed, hide all, of what spirit he can derive! And the relevant people at the Miriam-publisher does not recognize that and disseminate these lies continue diligent!

"You have heard that it hath been said, Thou shalt love thy neighbor, and hate thine enemy But I tell you: Love your enemies, [do good to them that hate you,] and pray for those who persecute you [and slander. ], that you may be children of your Father which is in heaven: who maketh his sun rise on good and evil and rain on the just and on the unjust. " *Mt from 5.43 to 48*

We want to keep ourselves: our persecutors show our love, pray for them and take legal action distance.

Martin Roth

"... The thorns of this mission may tear your flesh and cruel taunts of hatred may pierce your heart, but I'm the one who goes before you, and therefore I Am the One who puts away the full brunt of hate. Always remember that the attacks on this mission attacks against me are. Hatred of this mission is hatred against Me, Jesus Christ. You can not say one way, you would love Me, and then a variety of ways your hatred for me to express. You're either with me or against me. Either you believe me or you do not believe me. If you believe in Me, then you must never pursue another soul, because if you do, then you are I was taken away from my enemy, and then you have to explain, you would belong to me no right. ... "Excerpt from Message 1054 <http://dasbuchderwahrheit.de/botschaften/2014/1054.htm>

"... I will ensure that my work is still remaining. I will pass over all those who try to stop my hand. I'm going to push aside those who are led by the spirit of evil, and deaden the sound of their pitiful voices. I'm going with a flick of silencing those who try to stop me, where I only want to save every single soul. I'm determined not to allow that this work is ignored, because if I even give a mission My authority, such as the mission, then you can be sure that human power is nothing compared to .Be still, my dear children, and trust in Me, your beloved father. My love is so great that it can not be mitigated, how hard you also sin. I allow these tests, tribulations and evil plans to wipe out all traces of My Son - but only for a short time. ... Beatrix Zureich writes on a postcard:

*"PS In an email to the publisher has almost everything added indirectly Martin Roth, what is in the flyer!"*

Everyone can check whether this assertion of woman Zureich the truth to perversions of truth can be added seamlessly in the leaflet or equivalent.
